

STTP, FDP & Workshops conducted in Civil Engineering Department
(From 2018 onwards)

Nature of the program	Duration of the program	Topic of the program	Target group
Workshop	21.11.2022 and 29.11.2022	Workshop on Integration in Construction through BIM by Dr. Mahesh B form NICMAR Hyderabad	M Tech and S7 Civil Engineering students
Technical talk	18.11.2022	Technical talk on Writing a review paper 18.11.2022	M Tech students
Site visit	21.10.2022	Site visit , on 21st October 2022 at Njaliyakuzhy	S3 Civil Engineering students
Industrial Visit	21.10.2022	Industrial visit to Kuzhipilly Naluchira bridge site	S7 Civil Engineering students
Industrial Visit	25.06.2022	Industrial visit to Idukki dam	S4 Civil Engineering students
Industrial Visit	02.07.2022	Industrial visit to Idukki dam	S6 Civil Engineering students
Industrial Visit	06.05.2022 - 11.05.2022	Industrial visit to various industries in Karnataka	S6 Civil Engineering students
STTP	22-02-2021 to 27-02-21	GIS and applications in Civil Engineering	Faculty / staff from Engineering colleges.
Expert talk	08-03-2021 to 10-03-2021	Environmental Management System and Cost Benefit Analysis	MTech 1st year
Expert talk	25-06-2021	Vehicular Emission Modelling	MTech students
Workshop	27-05-2021 to 29-05-2021	Road Safety and Accident Control	MTech students + PG faculty
Workshop	25-27 March 2021	Computer Aided Highway Designing	PG students and Faculty
Workshop	18-02-2020	Career Paths Ahead	Final year Civil Engineering students
Expert talk	28-02-2020	Competitive Exam	Final Year Btech students
Orientation program	1-08-2019	Back to Class Room	Final year students
Orientation program	27-01-2020	Back to Classroom	Final year students
Expert talk	24-11-2020	Environmental Management System and Environmental Auditing	BTech Final year
Orientation program	14-12-2020 to 18-12-2020	Transportation Technology	MTech students
Site visit	19-07-2019 to 23-07-2019	Industrial visits to SERC Chennai, Ready mix concrete plant, ultra tech cements, chennai	S4 students
Industrial Visit	2-10-2019 to 13-10-2019	Industrial visit	Final year Btech students
Workshop	25-02-2019 to 06-03-2019	Challenges in Road Safety and Road Safety	MTech 1st year

Symposium	05-04-2019	Transport Infrastructure for Emerging India	PG students & Research scholars, Faculty
Workshop	14-10-2019 to 02-11-2019	Geology	S3 BTech students
Workshop	30-10-2019 & 02-11-2019	Environmental Impact Analysis	MTech 1st year
Workshop	21-03-2019 to 23-03-2019	Computer Applications in Traffic Flow Modeling	PG Students
Workshop	02-05-2019 to 04-05-2019	Computer Aided Highway Designing	PG students
Expert talk	09-10-2018 to 10-10-2018	Minerology and Petrology	S3 BTech students
Expert talk	10-11-2018	Environmental Management System and Environmental Auditing	MTech 1st year
Workshop	23-05-2018 to 25-05-2018	Model building in traffic and transportation planning practice	PG Students
Workshop	16-05-2018 to 18-05-2018	Computer aided design of highways and traffic simulation	PG students in Transportation Engineering
